§ 4041.8 Post-termination amendments.

(a) *Plan benefits.* A participant's or beneficiary's plan benefits are determined under the plan's provisions in effect on the plan's termination date. Notwithstanding the preceding sentence, an amendment that is adopted after the plan's termination date is taken into account with respect to a participant's or beneficiary's plan benefits to the extent the amendment—

(c) *Permitted decreases.* For purposes of this section, an amendment shall not be treated as decreasing the value of a participant's or beneficiary's plan benefits or allocation of residual assets to the extent—

(2) The participant's or beneficiary's allocation of residual assets is paid in the form of an increase in the participant's or beneficiary's plan benefits; or

(3) The decrease is offset by assets that would otherwise revert to the contributing sponsor or by additional contributions.

(d) *Distress terminations.* In the case of a distress termination, a participant's or beneficiary's benefit liabilities are determined as of the termination date in the same manner as plan benefits under this section.
